

Regenerative Strategic Thinking

Focus On Application
November 9, 2018

AIM:

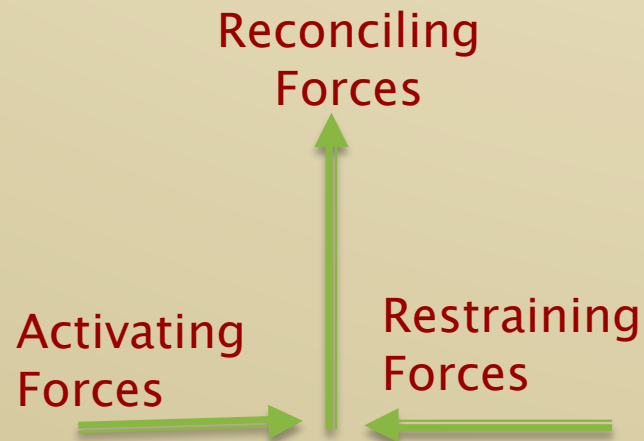

Understanding, and knowing how to
work with, the forces at work in
business & Life, by Systems thinking
from a regenerative mind.

Regeneration Living Systems Thinking is more nodal, less relational.

...Moves beyond considering THINGS AND THEIR RELATIONSHIP to one another (Machine view of Systems & Static)

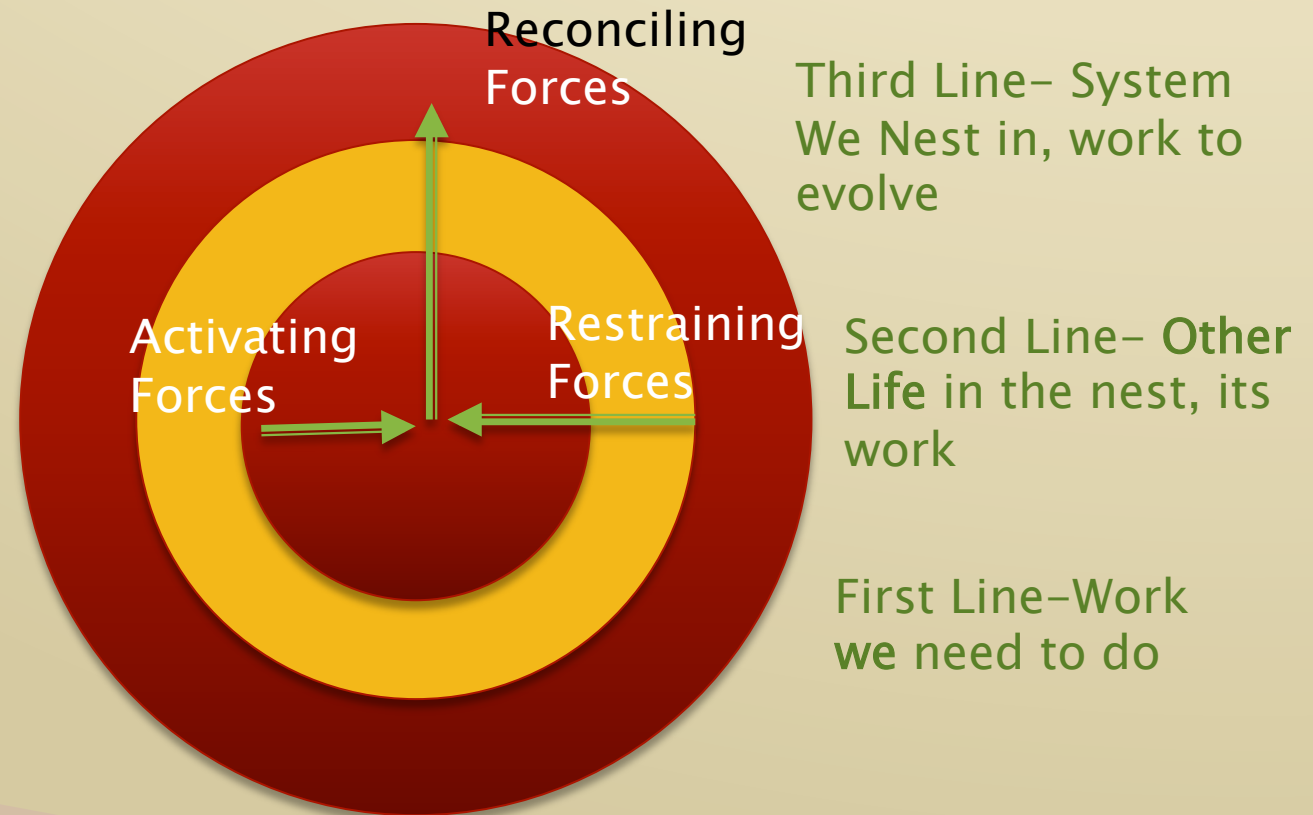

To

...Discerning and Considering the FORCES that are working and at play in dynamic Wholes. It allows us to find Nodes for engaging effectively.

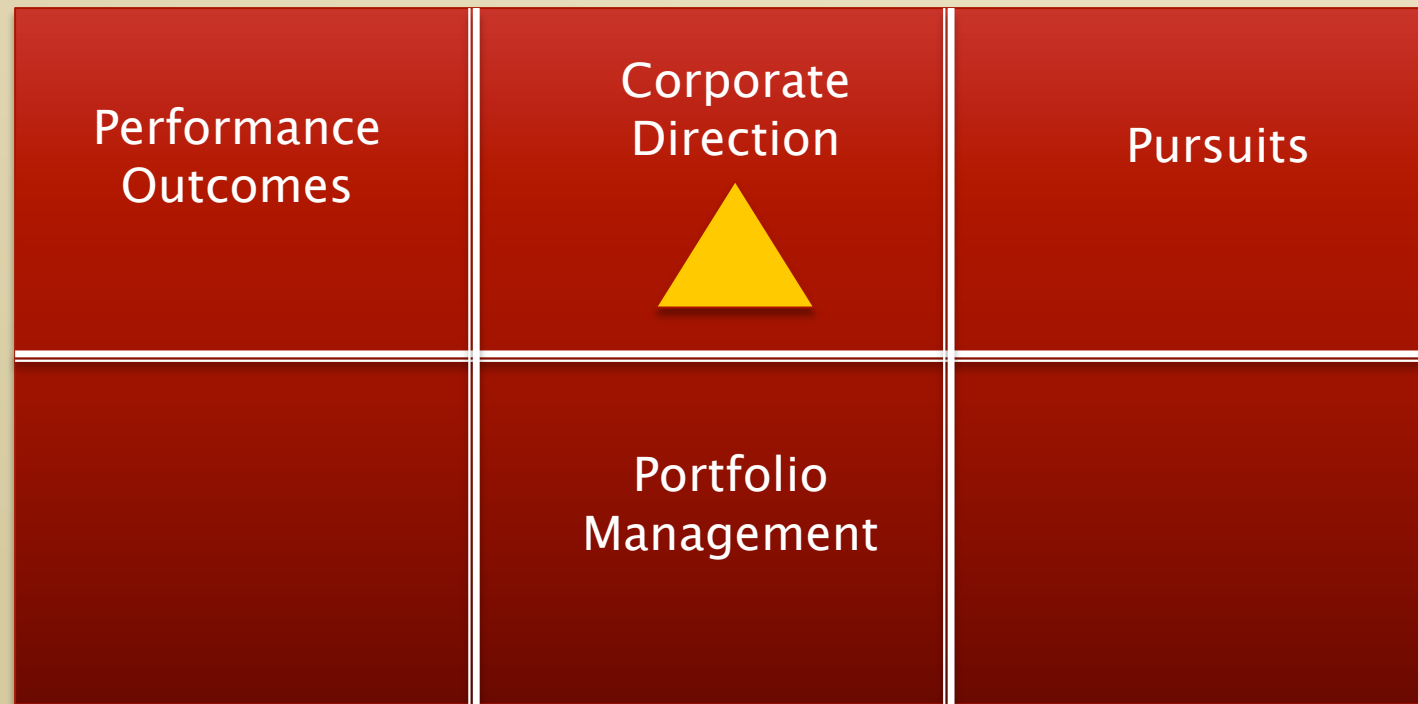

Regeneration Requires Systems Living- Living Systems Thinking

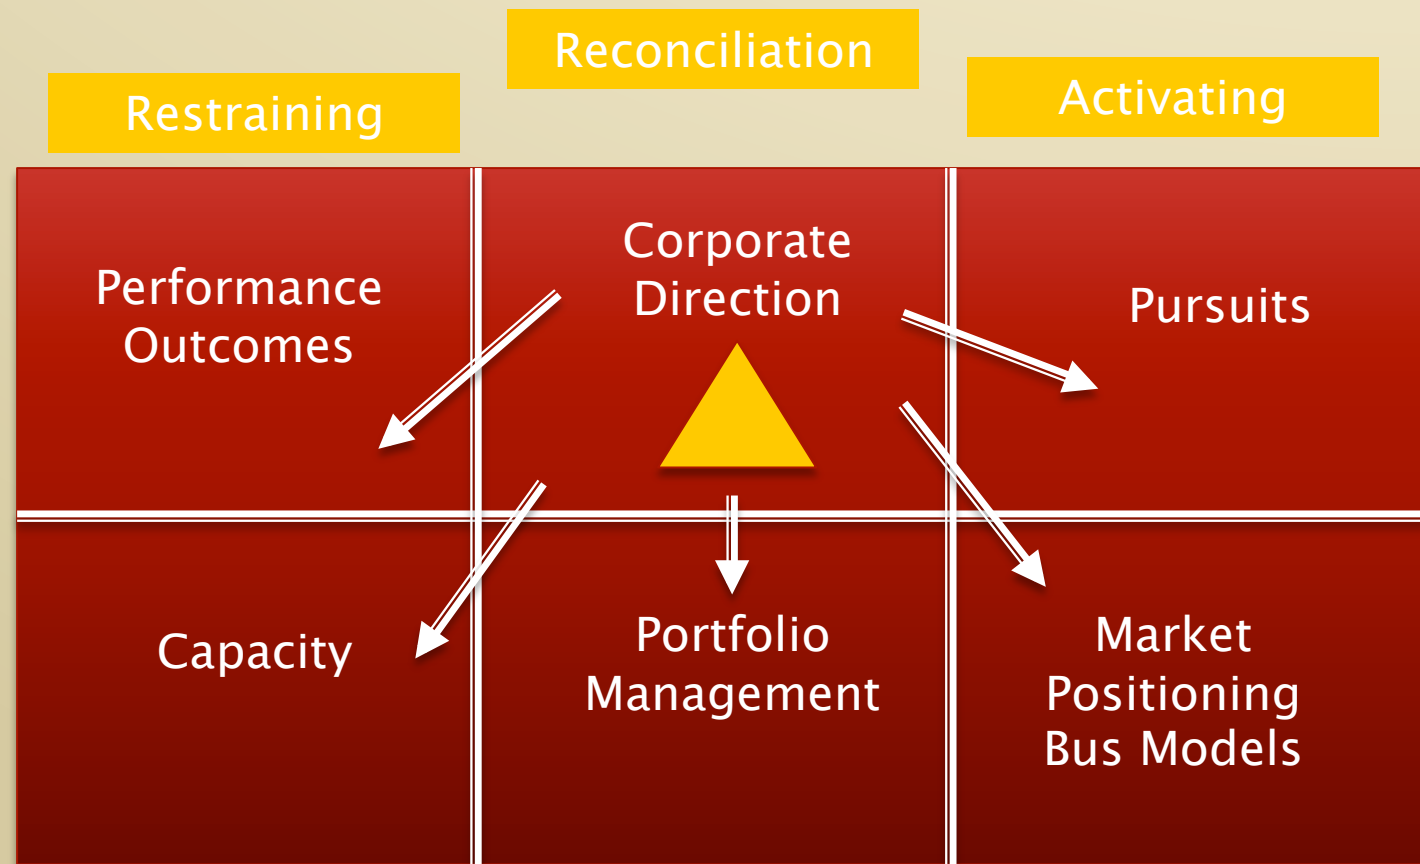

Moving beyond two term thinking-
The scourge of business and life

Everything is Reconciled

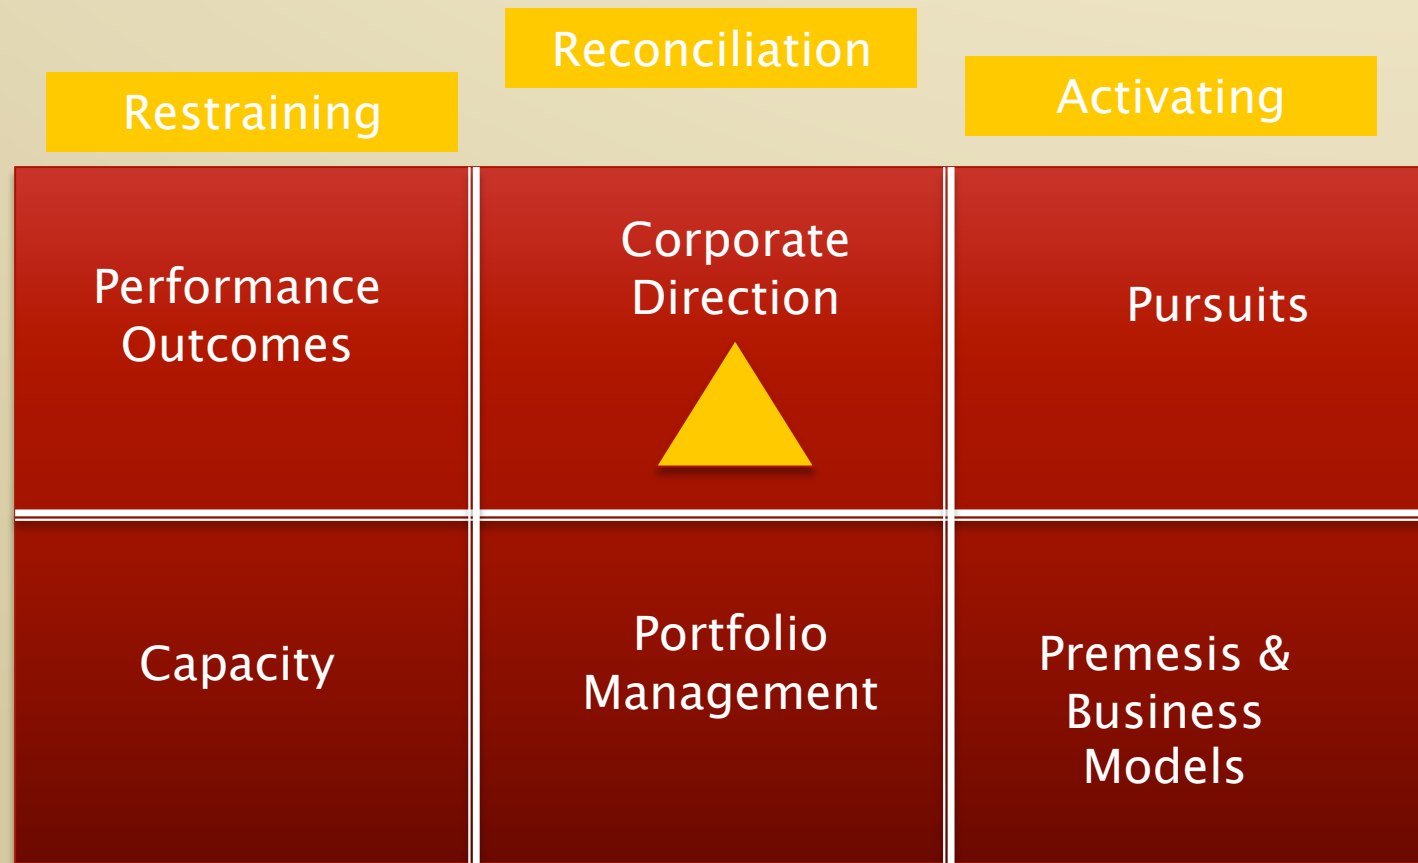

Managing Forces for Business Effectiveness

- ▶ Everything in the business: decisions, actions, thinking, relationships... must lift itself to reconcile to the Corporate Direction—
 - Don't move without imbedding and Sourcing Essence
 - Don't move without considering **Global imperatives**
 - Don't move unless it is at the **Implicate Intersection** that we can own
- ▶ **AND**, we validate with our Corporate Direction to stay **NON—Displaceable**.

Managing Forces for Business Effectiveness

- ▶ Offerings in all forms are
 - Essence to Essence Based
 - With different Buyer nodes or Market Nodes
- ▶ AND, we validate with our Corporate
Direction to stay NON—Displaceable.
