Essence Thinking

- What is it?
- How does it work?
- What does it produce
- What does it require of us to engage in it?
- What does it serve?

Essence of Essence Thinking

Core Value

Core Process

Core Purpose

Essence of Essence Thinking

- Core Process—how 'it' processes life and processes you. E.g. **election primary**
- Now discover the core process of what you just did. Core Process of Essence Thinking
 - CSL From thing with parts, to Imaging of working in revealing conditions with energy points

How are YOU called on?

- Non-judgmental engagement?
- Watching affect on self
- Manage mechanicalness
(attachments ,identification, fear,
fabrication, waste, subjectivism/solipcism)

Essence of Essence thinking

- Core Purpose- what does that particular process serve in the system(s)it nests in.
Election Primary
- Now what is the Core Purpose of Core Purpose
- From projection toNested Discernment

Discernment

- Regarding what, are you Discerning?
- Why that subject or arena?
- What does discernment make possible that is not possible without being discerning?
- How does discernment happen? How does discernment work?

Essence Thinking— Discernment

- What is discernment and what requires
 - ◆ Recognizing, Cherish,
 - ◆ Know though caring deeply,
 - ◆ Appreciate, non-judgmentally,
 - ◆ Understand how and why it works the way it does.

Essence of Essence Thinking

- What is Core Value— Effect on “appreciation of the extended effect” for beneficiaries contribution. Election primary
- Now, what is the core value of essence thinking?
- From knowledge to “understanding of reciprocity”

What does that offer?

- What does Understanding makes possible?
 - ◆ Seeing beyond personality, surface of doing, to what is striving to be realized
 - ◆ Beyond duality to what something is
 - ◆ Enable evolution from Being to Becoming of self and life
